OEL-484-73

15 NOV 1973

MEMORANDUM FOR: Associate General Counsel

SUBJECT: U.S. v. International Business Machines  
Corporation - Production of Documents

REFERENCES: (a) Your memo, OGC 73-2119, same subject,  
dated 12 Nov. 1973  
(b) Exec Officer/DD/S&T Memo DDS&T-1150/72,  
same subject, dated 14 April 1972

1. I have reviewed those DD/S&T documents which are attachments to reference (b) as you requested in reference (a) and have the following comments:

a. OEL - Listing (one document) is unclassified. Document could easily be declassified.

b. FMSAC (now OWI) - Listing (one document) is unclassified. Document is being retrieved to determine extent of declassification effort. Effort will probably be minimal.

c. OSA - Listing (5 documents) is unclassified. Because the [ ] Program is now defunct, all can be easily declassified.

d. ORD - Listing (2 classified documents) is unclassified. The CDC-469 document can be downgraded to

unclassified. The VAR-620I will probably have to have some restricted data removed before it can be declassified.

e. OCS (now OJCS) - The listing of the 22 classified documents was not reviewed because OJCS is now under the DD/M&S.

f. OTS (formerly TSD) and NPIC have been transferred to the DD/S&T since the reference (b) document was issued. I have not attempted to acquire their document listing from the DD/O and the DD/I respectively.

2. In view of the very short time available to respond, this was the best I could do. Please let me know if there is anything further I can do to assist.
